

Guidelines for Stone House Use

1. Rental fee is \$75 per event, per day. You may use the patio area of the Stone House as well as the interior.
2. After use, please leave tables and chairs set up. All other items should be returned to the appropriate racks in the storage building.
3. If tableware is used, it must be washed, dried and returned to the appropriate cabinets. Please leave used towels on countertop.
4. All garbage must be taken with you at the close of your event, including bathroom garbage. Garbage bags are provided.
5. General cleanup of the building is expected at the close of your event. Brooms and cleaning supplies are found in the mop closet in the largest bathroom.
6. No pets are allowed in the building unless it is a service animal.
7. Parking is restricted to the designated parking area. Do not park on the circular drive except to unload. The closest additional parking would be on Sanford St., just south of the Stone House exit. Park on the east side of the road.
8. The property directly north of the Stone House is private. Do not block access to the private driveway.
9. Any litter on the grounds must be picked up and disposed with the garbage bags.
10. We require two weeks notification to cancel your reservation and receive your deposit back.
